War Brings Prosperity

While many people think the war in Europe is a tremendous waste of money, life and energy that will undo the work of a century, there is one hopeful note in the

grand medley. The Krupps the makers of armaments and big guns for Germany, and good ones at that, are prospering. They have doubled their workmen since war commenced and now nearly 150,000 men subscribed by the Krupps. They have increased their capital from \$18,700,000 to \$72,500,000. This entire increase of stock has been subscribed by the Krupps. They they have contributed \$1,500,000 to pensions, ect. and other philanthropic ideas the past year and still are able to make a dividend divided of 12 per cent. It is a fine thing to know that some-one is prospering from the war. This prosperity rings

some-what of the patriotism of certain gentlemen of Mason and Dixon's line during the Civil war who laid the foundation of immense financial prosperity by loaning the government gold when when it was at 275, securing gold notes, presenting these for payments and reloading the money to the government. There may be a time when the few who reap money from wars will have no further opportunity in this line. This may be in the dim distance but it will come when men be come more intelligence and are really self-governing, governed by reason and intelligence director for the greatest good of all.

Best Cough Medicine for Children

"Three years ago when I was living in Pittsburgh one of my children had a hard cold and coughed dreadfully. Upon the advice of a druggist I purchased a bottle of Chamberlain's Cough Remedy and it benefitted him at once. I find it the best cough medicine for children because it is pleasant medicine to take. They do not object to taking it," writes Mrs. Lafayette Tuck, Homer City, Pa. This remedy contains no opium or other narcotic, and may be given to a child as confidently as to an adult. Sold by all dealers.

Mrs. Pros. Haskins and children with her sister Miss Erma Ward left Saturday for Oklahoma Miss Ward expecting to remain a year. S. T. Bennett, who formerly lived north east of town, is now a resident of Macon City.

Bad Luck With Cattle

Charles Herring left Monday of last week for St. Louis to market a bunch of steers weighing about 1400 lbs. The animals were fine weight and quality but did not get to the market early enough for the Tuesday sale and laid over until Wednesday. Even then there was on offer made for the steers which excepting one load, were the heaviest steers on the market that day. He had to ship the cattle on to Chicago for the Friday market, with the cattle five days on the road the shrinkage wouldbe very pronounced and Mr. Herring stood to secured for them considerably less than he would had the market conditions at St. Louis been normal. He was offered \$9.10 for the cattle here but refused to take it.

Miss Ethel Wells is now a resident of Dalton.

'A WARNING TO MANY

Some Interesting Facts About Kidney Troubles

Few people realize to what extent their health depends upon the condition of the kidneys.

The physician in nearly all cases of serious illness, make a chemical analysis of the patients urine. He knows that unless the kidneys are doing their work properly, the other organs cannot readily be brought back to health and strength.

When the kidneys are neglected or abused in any way, serious results are sure to follow. According to health statistics, Bright's disease which is really an advanced form of kidney trouble, caused nearly ten thousand deaths in 1913 in the state of New York alone. Therefore it behooves us to pay more attention to the health of these most important organs.

An ideal herbal compound that has had remarkable success as a kidney remedy is Dr. Kilmer's Swamp-Root, the great Kidney, Liver and Bladder Remedy.

The mild and healing influence of this preparation, in most cases is soon realized, according to sworn statements and verified testimony of those who have used the remedy.

If you feel that your kidneys require attention, and wish a sample bottle, write to Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper, enclose ten cents and they will gladly forward it to you by Parcel Post.

Swamp-Root is sold by every druggist in bottles of two sizes—50 c, and \$1.00.

FIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little Stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.
